Bill McCombs  
Trans Care Rescue

Dear Bill ,

Firefighters Without Borders Canada would like to take this opportunity to thank Trans Care Rescue for the generous donation of Equipment to our organization.

FWB Canada is a private, not-for-profit, charitable organization. Our mission is to provide support to emergency service organizations in countries with a demonstrated need. The operation of our programs is made possible through the generous donations of our members, partners and sponsors.

***Without support such as yours, our operations would not be possible!***

#### **2014 Goals**

- Recruit and train volunteers to assist with the operations of our organization
- Develop donor relationships, sponsorship and membership opportunities to ensure that funding is available to operate and expand our ever growing programs and projects
- Continue to deliver much needed equipment and training to our partner countries and their emergency services personnel

With support such as yours, we are confident that we can meet our goals and move the vision of Firefighters Without Borders Canada forward. We have included Trans Care Rescue as a partner on our website as a token of our appreciation.

Should you require further information, please do not hesitate to contact us.

We look forward to working with you in the future.

Thank you again.

Kind Regards,

Norm Hydamacka
